

24<sup>th</sup> January 2025

Dear Parents / Carers,

## Year 11 Revision and Interventions

Thank you for attending parents evening yesterday.

Many of you requested our intervention timetable. See this timetable on the back of this letter.

Please note the following CORE interventions are on the following days:

- English – Monday 3:20-4:00pm
- Science – Tuesday 3:20- 4:00pm
- Maths – Wednesday 3:20-4:00pm

Teachers plan these interventions based on their assessment of students. This means the sessions are highly tailored to teach gaps in your daughter's knowledge and exam skills. Teachers provide these 'extra' lessons because they know they have impact. Students who regularly attend will achieve higher grades than those who choose not to attend. We see this pattern every year.

Your daughter's next **pre-public examinations** will be from **3<sup>rd</sup> -14<sup>th</sup> March 2025**. A PPE timetable will be published at the start of February. After this, your daughter will also be given her timetable for her public examinations in the summer.

There are less than 12 school weeks until the **first GCSE written examination on 8<sup>th</sup> May 2025**. We encourage every student to maximise their time and make each day count.

Please get in touch if you have any questions or would like to discuss support for your daughter.

Yours sincerely,

Sarah Smith  
Assistant Headteacher
