What can you expect from the NHS Careers Fair? The on campus and virtual careers fair will give your students the opportunity to connect with health professionals and talk about their day to day experiences in their job and the steps they took to get there.

You can expect:

- 1-1 conversations with health professionals and teams including GPs, nurses, and health care workers
- Sessions on apprenticeships with health and social care sector workers
- Seminars and group presentations on other aspects of working in the NHS and social care

From clinical physiologists to paediatricians, art therapists to mental health nursing, and social care, there is an NHS career for everyone.

[Please click here](#) to see the video showcasing the highlights from the 2019 careers fair and from the 2021 online careers fair.

If you think your students would benefit from this extra support, please share this event and encourage them to [book their place here](#).

We're delighted to announce that applications are now open for our Virtual Insight Week, taking place this summer for Year 12* students.

During this action packed week, students will be able to attend a blend of live and pre-recorded sessions, which can be tailored to their interests, and hear from our people who'll share their stories and answer any questions from attendees. Our Student Recruitment team will also be running employability sessions that will help students feel more confident when they begin their career search.

In 2021, we welcomed around 2,000 students to our Virtual Insight Week, and we look forward to welcoming new students in July.
