Applications close: Thursday 11th January 2024

Exploring Law Conference 2024 - CSFL

UNIVERSITY OF
CAMBRIDGE

The Exploring Law Conference gives Year 12 students who may be interested in studying Law at degree level a balanced view of Law, both as an academic subject and as a profession, and also to offer an **insight into life as a Cambridge undergraduate.**

The Conference is run by a voluntary committee of 7 current law undergraduates and relies on the support of the University of Cambridge's Law Faculty.

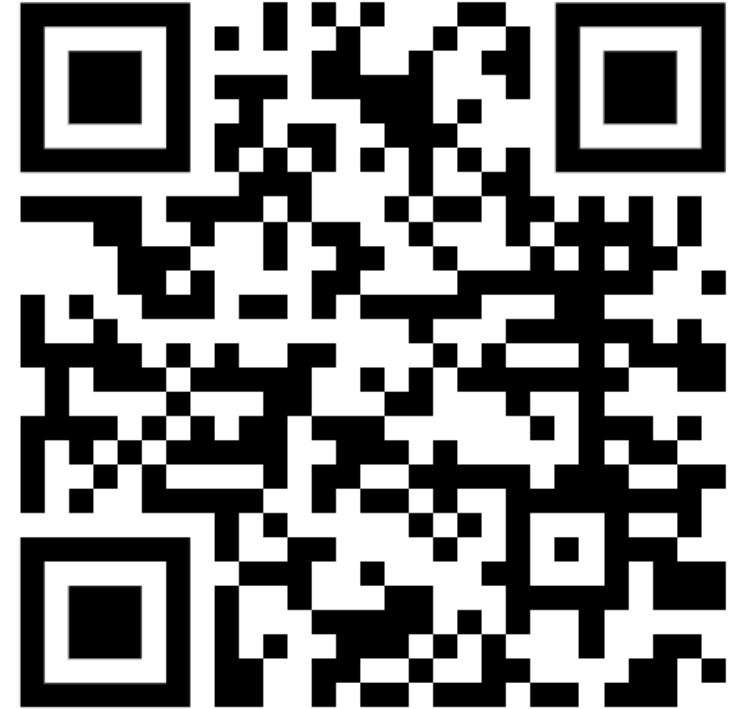

The 2024 Conference will be a **4 day in-person Conference.** The committee are working hard to bring as many students as possible into Cambridge for a residential experience which will aim to **offer students a taste of the study of Law.** The conference will run between **Monday 25th March and Thursday 28th March.**

This year the conference will cost **£155.** There are additionally **150 fully funded places for qualifying students.**

Dugdale Art Centre Activities

Scan the QR code to find out more about the upcoming activities:

- **Enfield Culture at Christmas** (food, concerts and many workshops!), Dates: 26th November - 17th December
- **Festival of Industry** (celebrates Enfield's industrial heritage and explores its future identity through specialist art commissions, participatory workshops, open studios, exhibitions, an immersive museum project and community theatre, co-produced with local people).
- **Food at DAC** (provides a variety of dishes and drinks), Tuesday-Saturday (9:30am-4pm), Sunday (10am-4pm)

The logo for Dugdale Art Centre (DAC) consists of the letters 'DAC' in a bold, black, sans-serif font, centered within a bright yellow rectangular background.

Apprentice Insight Events

Attend an upcoming insight event to learn more about the Morgan Stanley apprenticeship opportunities across our London and Glasgow offices, offering an **alternative route of study towards a qualification while gaining practical industry experience and earning a salary.**

Registration will close at 23:59 the day before the event. Please contact emeaearlycareers@morganstanley.com if you require support.

Date: Thursday 30th November 2023, 9:15 – 12:30

The Telegraph Media Literacy Programme

The Telegraph Media Literacy Programme is a free, online, 4-week course for 16-18 year olds which aims to provide a deeper **insight into what it's like to be a journalist.**

The interactive scheme will help students explore the many different roles across the newsroom from being a sportswriter to arts critic to a news reporter to beauty editor.

It will also provide invaluable insight into getting a career in media and journalism.

The programme will begin on **Tuesday 4th March 2024.**
Sessions will run from 4 - 5pm every Tuesday.

**Applications close: 1st December
2023, 5pm**

University of Nottingham 16-18 Ambition Programme

- This **free two-year programme** will provide Year 12/ Year 1 vocational students, from anywhere in the UK, with support through a **variety of online sessions**.
- Sessions include **subject insights** with university academics, **Q&As** with current students and guidance on the university's selection processes.
- We also offer the opportunity to attend our open days as a VIP with **extra activities and support**. An enhanced **contextual offer and bursary** may also be available to students that meet certain eligibility criteria should they apply to the University of Nottingham.

Applications will close on **Sunday 3
December 2023**.

The University of
Nottingham

NMITE (Technology and Engineering) Open Day

This year will be the first time students at NMITE can start their '**Sustainable Built Environment Degree**' ideal for anyone looking to enter a **career in sustainable construction**. They'll build a portfolio of experience which they can take with them when they graduate and have the option to take an industry placement during their degree.

If you are a student who would love our Integrated Engineering or Sustainable Built Environment degrees or would benefit from a completely different way of learning from a traditional university, booking an **Open Day** on the **25th of November** will give you a real taste of the NMITE difference.

Apprenticeship Opportunities with EFSA partner, Arnold Clark

Arnold Clark

Our apprenticeship applications for our March 2024 intake are now open. We have a range of apprenticeships on offer, from Technicians to Aftersales Customer Service Advisors – there's something for everyone!

At Arnold Clark, we know that apprentices are the future of our company, which is why we don't just offer jobs, we offer our apprentices lifelong careers with continual investment in their development and training. As an Arnold Clark apprentice, you can also enjoy industry-leading benefits, including free driving lessons and the opportunity to boost your earnings through hard work.

Hill Group 2024 Degree Apprenticeship Programme

We at Hill Group have now opened applications for our highly commended Management Trainee Programme. The Degree Apprenticeship programme is open for current final year students (Year 13) to begin in September 2024.

For more details see:

History Essay Competition

The competition is open to those who will be in years 12 or 13 during the 2023-24 academic year. Students who are, at this moment, in year 12 might consider writing the essay over the summer holidays.

Essay subject: Repression in pre-war Nazi Germany

The prize for the winner is £1,500 divided between the student and the school. The prizes for the second (£600) and third (£400) will be shared in the same way. Four to six entries will be highly commended, and students will receive £100 each. Another five to seven entries will be commended and receive a certificate.

**Deadline: 4th
February 2024**
